

EE 107 Intro. to Electrical/Computer Engineering II, Spring 2018

Homework 5

Due right before the class on Tuesday, April 3, 2018.

Department of Electrical and Computer Engineering & Technology, MNSU
Dr. Qun (Vincent) Zhang

Note: each problem accounts for 10 points.

Note: You will need to turn in your homework in hard copy form (hand-written, or electronic typing), in the classroom right before the class on April 3, 2018.

These problems are from the textbook **Exercises problems** in Chapter 7 (you can find them in the end of the Chapter 7). Please detail your solutions and run results.

Problems 8, 9, 13, 14 (only work on 13).
